This year's dance recital is already in the planning stages. We will order costumes in mid-December. This means that **order slips and costume deposits must be turned in by Monday, December 5, 2016.**

Our recital is an exciting culmination of the year's dance work and is a professional show including scenery, lighting, costuming and sound system. Your responsibilities include purchasing a costume and attending all rehearsals your dancer is involved in. The recital is held at the Sun Prairie High School.

If your child is going to be in the recital, there is a \$50.00 DEPOSIT **for each** costume ordered. (Boys do not pay costume deposit). **The balance is due when you pick up the costume(s). All accounts must be paid in full before costumes will be released.** We try very hard to hold costume prices to a minimum. The average price for XS-S-M child-size costumes is \$58.03 and the average price for LC-SA-MA-LA size costumes is \$70.69 (tax included). There is an extra \$7.00 charge for XLC child and XLA adult costumes.

Please complete the form below if your child is going to be in the recital and return it with costume deposit(s) on or before Monday, December 5. If your child is NOT going to perform in the recital, the form still needs to be completed and returned by the same date for our records.

Absolutely no costumes will be ordered without deposit(s) and signed order slip. It is not possible to refund costume deposits. Costumes are made to order. When we order a costume, we pay for that costume in full and it is not returnable.

Costume Deposit: \$50.00 for each costume ordered.

I understand that my signature on this form is a legal obligation to pay the balance due on dance classes and all costumes ordered for my child. My child will participate in the recital: Yes ____ No ____
